

sistema[®] canister[™]

Sistema[®] Canisters[™] can be stored perfectly on the counter top, kitchen drawers, pantry and fridge. Featuring screw-top lids with airtight seal that keeps contents fresh.

Made from high quality, ultra clear plastic with glass-like clarity, allowing you to easily see the contents of the container.

Use and Care

To keep your Sistema[®] Canister[™] looking its best, the following are recommended:

Care Guidelines

- Remove all labels/package and wash before use.
- Sistema[®] Canister[™] containers are safe for normal household dishwashers (top rack only). Ensure the containers are secure on the top rack, this prevents them from contacting the heating element and avoids melting.
- Warm soapy water can also be used to wash the containers.
- Do not use abrasive cleaners or scrubbers as they may cause dullness to the finish.
- Do not use utensils with sharp edges (e.g., knives) in the container. They could scratch or scuff the container surface.
- Sistema[®] Canisters[™] are designed to resist stains from tomato-based foods; however, they are not recommended for foods containing curry, or food seasoned with the herb turmeric as these may stain the containers.
- Sistema[®] Canister[™] containers are designed to be airtight. They should be stored in an upright position.

Warnings

- Sistema[®] Canister[™] containers are not recommended for microwave or freezer use.

Food Safe

Airtight Seal

Impact Resistant

Dishwasher Safe TOP RACK

CAUTION: Sistema[®] Canister[™] containers are NOT recommended for microwave and freezer use. DO NOT use in a conventional oven, on a hot plate, under the grill, on the stove top or in convection microwave oven using convection settings.
