Use and Care

To keep your Sistema[®] Home[™] basket looking its best, the following are recommended:

Use & Care Guidelines

- Clean the baskets regularly to maintain their quality. Use a mild detergent and warm water. Avoid using abrasive cleaners or scrub brushes as they may scratch the surface.
- Dry them thoroughly by air drying or wiping down with a clean, dry cloth.
- Store them in a cool, dry place when not in use. Avoid exposure to direct sunlight or extreme temperatures as it may cause the products to warp or fade.
- When using the baskets, place them on a flat, stable surface. Avoid placing on uneven surfaces to prevent tipping over.
- Distribute items inside evenly. Do not overload them beyond their capacity.
- Always lift them using both hands. Use the handles for safer and easier transportation.

Warnings

- Keep out of reach of children to prevent accidents.
- Do not store very heavy items that could cause breakage or instability.
- Avoid storing sharp objects that could puncture or scratch.
