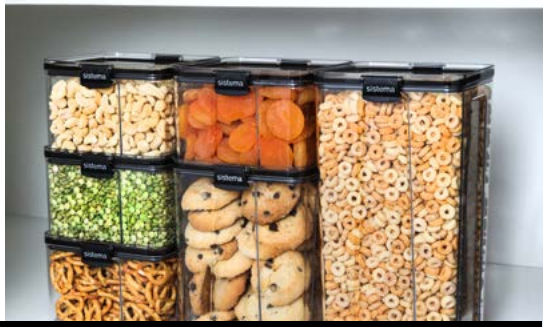
sistema® Ultra



Sistema® Ultra Square containers can be stored perfectly on the countertop, kitchen drawers and pantry. Their modular design stacks perfectly for efficient storage. Sistema's easy locking clips and airtight seal keep contents fresh for longer. Made from high quality and ultra clear plastic material with glass like clarity, to easily see the contents of the container.

Use and Care

To keep your Sistema® Ultra Square container looking its best, the following are recommended:

Care Guidelines

- Remove all labels/packaging and wash before use.
- Sistema® Ultra containers are safe for normal household dishwashers (top rack only). Ensure the containers are secure on the top rack, this prevents them from contacting the heating element and avoids melting.
- Warm soapy water can also be used to wash the containers.
- Do not use abrasive cleaners or scrubbers as they may cause dullness to the finish.
- Do not use utensils with sharp edges (e.g., knives) in the container. They could scratch or scuff the container surface.
- Sistema® Ultra is designed to resist stains from tomato-based foods.
- Sistema® Ultra containers are designed to be airtight. It should be stored in an upright position.

Warnings

- Sistema® Ultra containers are not recommended for microwave and freezer use.

Airtight Seal

Impact Resistant

Dishwasher Safe TOP RACK

FOR FOOD CONTACT
